

Andrea Gothing serves as a Director at Fortress Investment Group in Menlo Park, California for the Fortress Credit Funds Business. Ms. Gothing is part of the Intellectual Property group where she oversees investment monetization strategies, including licensing and litigation.

Ms. Gothing has over 20 years of experience representing clients in patent litigation and trade secret matters on both sides of the courtroom. Before joining Fortress, Ms. Gothing was a litigation partner at the litigation boutique of Robins Kaplan LLP, where she served on the hiring committee and as an instructor in the firm's trial practice program.

Prior to law school, Ms. Gothing was a semiconductor device engineer at Motorola.

Ms. Gothing earned her law degree *magna cum laude* from the University of Minnesota. In addition, she has a Bachelor of Science in Electrical Engineering from Worcester Polytechnic Institute where she graduated with high distinction. Ms. Gothing has a Master of Science in Electrical Engineering from the University of Minnesota. Her Master's thesis was entitled *Image Processing for Positron Emission Technology*. In addition, Ms. Gothing was a Biomedical Engineering doctoral candidate at the University of Minnesota where she did all but her dissertation. Her area of research was micro-coils for nuclear magnetic resonance imaging.

Ms. Gothing is a member of Eta Kappa Nu, the international honor society of the Institute of Electrical and Electronics Engineers, and Tau Beta Pi, the oldest engineering honor society in the United States.

Jonathan James is a Managing Director based in Menlo Park for the Fortress Credit Funds Business. Mr. James is part of the Intellectual Property Group where he serves as the Director of Litigation and Portfolio Management. Mr. James has nearly 30 years of experience representing leading technology companies in patent, trade secret and other IP litigation throughout the United States, before the International Trade Commission, and in Europe and Asia. Mr. James also has extensive experience advising clients on patent portfolio strategy, patent licensing, patent sales and acquisition and patent monetization. Prior to joining Fortress in 2017, Mr. James was a partner and Co-Chair of the Intellectual Property Practice at Perkins Coie, an international law firm of over 1,000 lawyers with one of the largest intellectual property practices in the world. Mr. James served in numerous other leadership roles at Perkins Coie, including as a member of the firm's Executive Committee. Prior to Perkins Coie, Mr. James was a partner with Brown & Bain, a leading technology and intellectual property litigation firm. Before attending law school, Mr. James worked in marketing positions at IBM. He also served as a law clerk for the United States Senate Judiciary Committee Sub-Committee on Patents, Copyrights and Trademarks. Mr. James is recognized by Intellectual Asset Magazine as one of the World's Leading IP Strategists and is one of the IAM 300, awarded to individuals with an established track record in developing and rolling out world-class IP value creation programs. Mr. James received a B.S. in Business Administration from the University of Arizona and a J.D. from Arizona State University.
